SO WHAT'S THE BIGGEST DIFFERENCE BETWEEN ME AND EVERYONE ELSE?

Turn the page.

Hint: it's not the websites, the automations, or the fancy tools. Everybody says they do that.

Get found. Get followed. Get chosen.

You get me.

With every single thing we do for you, you get me — not a help desk, not some team on the other side of the world. Call me, text me, email me. Unlimited changes to your website, your marketing, your sales strategy — whatever you need, whenever you need it.

I do what I say, and I say what I do. That's the whole deal.

We give 10% of everything back.

We believe in taking care of business owners and blessing the community God put us in. So 10% of everything we earn goes right back out — to orphans and widows, to survivors of trafficking, to villages in Romania and orphanages in the Philippines, Vietnam, Thailand, and Uganda, and to local businesses right here at home. When you hire us, you're part of that. Got a cause on your heart? We're always open to suggestions.

"Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress." — James 1:27
